# *Oceans Deep*

2022

"I pray that out of his glorious riches he may strengthen you with power through his Spirit in your inner being, so that Christ may dwell in your hearts through faith. And I pray that you, being rooted and established in love, may have power, together with all the Lord's holy people, to grasp how wide and long and high and deep is the love of Christ."

EPHESIANS 3:16-18

## Summer Camp 2022

Dear Parents,

**Welcome to another year of growing and fun at Kenbrook!** I am absolutely stoked to be a part of the work that God does at Kenbrook again this summer. Camp is one of those unique opportunities to intentionally step outside of comfort zones, experience nature that God has created for us, and learn more about Jesus all at the same time. On top of all the activities and devotions that take place, perhaps one of the greatest things about camp is the friendships made during the journey of a week at Kenbrook!

The past few years have felt crazy and full of changes but fortunately here at Kenbrook, we have mastered crazy long ago! Despite all the changes in the world around us, Kenbrook has stayed committed to the mission of sharing Christ with campers through silly songs, adventurous activities, and Counselors who are called to share the love of Jesus that they have received. Over my many years at Kenbrook as a camper, summer staffer, and now as the Youth Program Director, the thing that I appreciate the most about this ministry is that the majority of the leaders each summer are young adults that have had their lives changed at this camp and in turn, want to share that experience by coming back to serve others. Campers who come to Kenbrook always see familiar faces because the community of Christ here draws people back year after year.

**The theme for this summer is Oceans Deep.** Ephesians 3:16-18 says, "I pray that out of his glorious riches he may strengthen you with power through his Spirit in your inner being, so that Christ may dwell in your hearts through faith. And I pray that you, being rooted and established in love, may have power, together with all the Lord's holy people, to grasp how wide and long and high and deep is the love of Christ." How better to understand the nature of God than being embraced in his love? The Bible is sometimes called a love letter from God to his children and passages like this one from Ephesians emphasize that truth. However, it is not just a feel good letter, it gives us Christians guidance and direction in how we are to honor God through loving our neighbors and serving the world we live in. Campers at Kenbrook will learn about the Ocean Deep love of Christ and how God wants us to share that love.

Blessings,

**Nathaniel Nissley**

Youth Program Director

# Why Kenbrook?

The mission of Kenbrook is to be like Christ in all relationships in order to facilitate a closer connection to God, self, others, and nature.

**Connection to God:** Kenbrook's Summer Camp program is designed to help campers learn about and experience God in a special way. This takes place in a variety of ways including Truth Talks (daily Bible studies with their cabin groups), TAG Time (Time Alone with God), evening sessions with music and teaching, and personal conversations with their cabin counselor. Additionally, the staff put on the Jesus Walk; an interactive live action portrayal of Jesus's ministry in which campers get to experience the gospel story firsthand.

**Self:** Kenbrook provides a safe environment for campers to take risks and try new things. They may find a new outdoor activity that they really enjoy! Daily "how-tos" provide opportunities for campers to learn new skills, such as archery or canoeing. Campers may sleep out in the woods on campout night or catch their first fish in the lake. Many campers leave Kenbrook having learned not only about God, but also more about themselves.

**Others:** As soon as campers arrive at their cabins, they are immersed into a community. Cabin groups are not only a way to organize campers and provide supervision; they are a small group, a representation of the body of Christ that each camper gets to participate in and experience. Because of this, cabin groups are the foundational element in Kenbrook's commitment to knowing others. In addition, campers can choose weekly and daily activities to participate in which allow them to interact with those outside of their cabin group.

**Nature:** Kenbrook is situated just north of Lebanon along the Little Swatara Creek. It is not far from many cities in Central, PA. Despite the occasional passing car, when you are here you feel like you are in the middle of nowhere. Kenbrook will provide your child with the opportunity to enjoy the beauty of God's creation and experience the natural world – in the woods, by the creek, on the lake, and more. They will be encouraged to explore, play, and learn through a myriad of activities in the outdoors.

# Residential Camp

Kenbrook has been providing summer camp experiences for children and youth for over 70 years! While some things have changed over time, one thing has remained constant: our deep desire for young people to know God through a relationship with Jesus Christ. We will provide your camper with the opportunity to experience God in new ways through programs that are geared to their age group. This means that sessions, games, Truth Talks, how-tos, and even meal times will be tailored to your camper's age group so that they can have the best experience possible. Beyond all the games and new activities, residential campers get the full experience of living and learning in a cabin with leaders who care and are committed to their safety and growth.

Ages 8-12 | June 12-17

It's time to shake the dust off and come to Kenbrook for a week that will change your life! Maybe it's fun during a game of basketball, cooling off in the pool, or playing gaga ball. Perhaps it will be learning a new skill, perfecting your archery, or canoeing skills. No matter what activity you choose, you will have an amazing time!

## Pilgrims

Ages 10-14 | June 19-24

This week combines middle school and older elementary school students so that siblings can be a part of the same camp experience. We value family and want to provide our campers with a safe and challenging atmosphere to grow in their relationships with God all while doing fun camp activities like camping out, archery, sling shots, hiking, pool time, fishing, canoeing and so much more!

## Hitchhikers

Ages 9-13 | June 26- July 1

Hitchhikers Camp is a week designed to challenge campers with fun, age appropriate activities. Learn to build a fire, shoot archery, sing crazy songs, splash in the pool, play kickball and make friends from all over! This can be a great introduction to summer camp or can push and grow our returning campers.

## Explorers

Ages 7-11 | July 3-8

Get ready for an exciting week of camp that will hold new games, truth talks, and more activities aimed at helping campers explore who they are and the world around them. Campers will get to experience a wide variety of daily activities including fishing, archery, canoeing, and field games. You'll make new friends during pool time and you'll have a blast throughout the day.

## The Edge

Ages 10-14 | July 10-15

A challenging message, an engaging worship session and a counselor who cares, will all help these campers establish an authentic faith in Jesus that will sustain them when the pressures of the world push them to the edge. Plus, all the fun activities as usual!

# Day Camps

For the first time ever, Kenbrook will have Day camp running alongside each week of residential camp! Day campers have counselors just like residential campers, with Truth Talks and TAG time (Time Alone with God). They will enjoy all the fun activities of camp – the outdoors, the pool, crafts and games, and so much more. Day Camp is a great option for campers who want to try out camp but are reluctant to stay overnight, and for those who live nearby and want to enjoy multiple weeks of camp activity while their parents are working.

**Pilgrims Day Camp** | Ages 6-10 | June 20-24

**Hitchhikers Day Camp** | Ages 6-10 | June 27-July 1

**Explorers Day Camp** | Ages 6-10 | July 4-8

**The Edge Day Camp** | Ages 6-10 | July 11-15

# Kenbrook & Beyond

Kenbrook and Beyond is for those who like to swim in the deep end, sleep under the stars, and jump into new adventures.

Campers in this program will be staying in platform tents and tackling adventure challenges each day at camp. If you enjoy the Kenbrook experience but wish for something more, this is for you! Over the last two years, Kenbrook has not been able to run the Venture Out program due to Covid-19 and during that time we made adjustments to make this a more well rounded experience for your camper. To reflect that change, we brought back a name used in the past: Kenbrook and Beyond! Campers in this program will be able to master skills on the climbing tower, learn challenging techniques on Canoes/Kayaks and take them out on open water, go on backpacking adventures offsite, and cook meals on fires they build. Each night, campers will return to camp and will be able to experience some of the normal evening programs you would expect at Kenbrook.

**Beyond Trailblazers** | Ages 9-11 | June 12-17

**Beyond Pilgrims** | Ages 12-15 | June 19-24

**Beyond Hitchhikers** | Ages 11-13 | June 26- July 1

**Beyond Explorers** | Ages 9-11 | July 3-8

**Beyond The Edge** | Ages 12-15 | July 10-15

# Service & Leadership Opportunities

Being a part of the summer ministry team at Kenbrook Bible Camp is a unique opportunity to grow as a follower of Jesus through service and leadership development. Grow in faithfulness to Christ as you learn to humble yourself to serve others, and rise up to take on the challenges of leading! Grow as a disciple, and become a disciple-maker!

## **Krew** | Ages 14-17

Kenbrook Krew is a two or three week discipleship program where Krew members work alongside staff to serve the summer camp program. The Krew members have two leaders who witness to, teach, and care for Krew members while they work together to complete tasks, enjoy activities, and generally have a ton of fun together. The tasks that Krew complete will look different this year due to summer staff handling more cleaning roles but they can expect to set up and tear down program areas, keep trails clear, and do small maintenance projects. Krew is a fantastic opportunity to learn what it means to be a Christian servant, and grow closer to other Krew members at the same time!

Session 1 – June 12-17, June 19-24

Session 2 – June 26-July 1, July 3-8, July 10-15

## **CIT (Counselor in Training)** | Ages 16-18

This program is designed specifically for those who are graduating from their years as a camper who have an interest in being a part of the summer staff team in the future. CITs will be matched with a different Counselor each week they are serving at Kenbrook and will get a real experience in what it is like to care for and lead a cabin at Kenbrook. Participants will be pushed to grow in their leadership skills and in their faith. CITs have meetings with the Service Director who will mentor them throughout their time at Kenbrook and assist them in developing their own devotional or Truth Talk to share with the Cabin they are serving. Please don't miss out on this opportunity to grow your faith and grow in the gifts that God has given you!

Session 1 – June 12-17, June 19-24

Session 2 – June 26-July 1, July 3-8, July 10-15

## WHY 3 PRICE OPTIONS?

In short, we offer tiered pricing because we want every kid to come to camp regardless of their family's income level. We encourage you to choose the price option that best corresponds with your ability to pay. The higher the level that you choose, the more your payment will reflect the actual cost of providing a summer camp experience for your camper. Whatever level you choose, you can be sure that your choice is confidential and will not impact your camper's experience in any way!

**Tier A** – Best accounts for the basic expenses of summer camp.

**Tier B** – Best accounts for summer expenses and utility usage for summer camp.

**Tier C** – Best accounts for the true cost of summer camp including staffing and site maintenance.

*\*Tier A & B are subsidized through donor support. No matter what tier you choose, the program and accommodations are the same for your camper!*

# Frequently Asked Questions

## What if we cannot afford the price of camp?

Kenbrook never wants money to get in the way of a child coming to camp. Generous donors allow Kenbrook to offer financial assistance to anyone in need to assure all children can come to camp. Visit [Kenbrook.org/assistance](https://kenbrook.org/assistance) for more information.

## What if my child has a food allergy?

Food allergies are a common occurrence at camp and our kitchen will provide menu options specifically for your child and their dietary needs. Our food service department is committed to providing a quality experience for every camper, so these menu options will be tailored to their age group, just as every other camper's food will be. Kenbrook does not provide a specialized menu for campers based on preference alone.

## Does Kenbrook accommodate individualized needs?

Absolutely. Our goal is to provide quality programming for every child. We will do whatever we can to accommodate every child that comes to Kenbrook. There may be select cases that our facilities and programming cannot accommodate, but if you or your child is interested in camp we will do everything we can to put them in a position to thrive during their time at Kenbrook Bible Camp.

## Is safety a priority at camp?

Definitely. If parents do not feel like their children are safe, they will not send them. And, if campers do not feel safe they will not have a positive camp experience. Safety is a top priority at Kenbrook. All staff are screened using three background checks, vetted through our interview process, and given extensive training before the summer begins. Kenbrook has a zero-tolerance policy on bullying and we do everything in our power to prevent campers from entering situations where bullying could occur. Campers are always in supervised areas while they are at camp. No matter what activity or program, Kenbrook strives to maintain an 8:1 camper to staff ratio. Even when campers are not under direct supervision, staff provides supervision for an area and campers will move in groups of three so that two campers are never by themselves.

## Is Kenbrook COVID-19 Safe?

For Summer 2021 Kenbrook reopened Summer Camp with an abundance of caution. Learning from other camps, keeping up to date with guidelines, and running our COVID-19 procedures by a qualified Doctor are all factors that helped us keep our Summer Camp programs COVID-19 free! We are thankful for God's protective hand while also recognizing our responsibility to protect the campers and staff who make Kenbrook so special. Keep up to date with any summer camp updates by joining the Kenbrook email list by emailing [info@kenbrook.org](mailto:info@kenbrook.org), following our Facebook page or visiting our website at [Kenbrook.org](https://kenbrook.org).

*If you have any additional questions or would like to discuss any of these further, please call 717.865.4547 or email [program@kenbrook.org](mailto:program@kenbrook.org).*

# Summer AGE 18+ Staff

Summer staff are the hands, feet, and faces of Kenbrook's summer camp ministry. Each year more than twenty young adults devote themselves to the ministry of Kenbrook: serving as counselors, program staff, trip leaders, lifeguards, kitchen assistants, and in various director roles. Serving on staff is a life changing experience; an opportunity to let God put you in unique situations where you will be stretched and challenged. The relationships you form with other staff members are irreplaceable and often last a lifetime. Being a part of the summer staff will force you to go deeper in your relationship with God as you serve and lead alongside fellow staff. You will grow in your faith and have an incredible amount of fun doing it! If you are interested in diving deeper into your walk with Christ and stepping into a role that will push and challenge you to grow, then be sure to apply online at [kenbrook.org/summerstaff](https://kenbrook.org/summerstaff) or contact Nathaniel Nissley, Youth Program Director, with any questions you may have [nnissley@kenbrook.org](mailto:nnissley@kenbrook.org)
